If you added optional instagram import, we will import **public** posts with your hashtag for 7 days.

HIGHLIGHT EDITING BEGINS

3 weeks
post-wedding

The editing of your highlight begins! Make sure your friends have uploaded by now. Let us know if they need help or you need more time, we can wait a max of 8 weeks to begin the editing (if you let us know). The edited highlight video will be delivered within 4-8 weeks of your wedding. If you ask us to wait to begin editing, it will be delivered within 10-14 weeks of your wedding.

FEATURE VIDEO EDITING

up to
6 months
post-wedding

Let's get you your feature video! You have up to 6 months to select the scenes (& up to 50 photos) in our online storyboard for your feature video download. Watch the tutorial in our knowledgebase. We will edit and upload your video for approval within 5 weeks. When we get your approval we will upload your feature video to your gallery.

DOWNLOAD YOUR MEDIA

up to
12 months
post-wedding

You can download the footage and photos uploaded by guests for up to 12 months. You also have that long to download the HD feature video from your gallery. The raw footage from the WeddingMix rental cameras will be shipped to you on flash drive.
